*Sri H. K. VEERANNA GOWDH.—There has been no delay at all in this matter because, the Chief Minister suggested that there should be a building to accommodate some of these offices. That was in the month of November last and then an estimate was prepared ; a plan was prepared in the month of January. It was sent to the Deputy Commissioner for suggestions and information. He made certain suggestions and these were sent to the Government Architect for necessary modifications. It is expected that on receipt of this modified plan, an estimate will be made. Therefore the question is not pending with the Government at all.
